** All 2025 Kentucky Team Beef runners can receive reimbursed registration for the [Kentucky Derby Festival Mini & Marathon](#) (up to \$120). This does not count towards your reimbursement limit for the remainder of the year. Runners must sign up to run on the Team Beef social team and wear their jerseys during the race to receive reimbursement for the Kentucky Derby Festival Mini/Marathon.

While we do not allow additions to the race list during the year, please email any future suggestions to rcain@kycattle.org. Approved races are subject to change from change year to year. Virtual races are not eligible for reimbursement. The best races for KY Team Beef to invest in are those with high attendance and visibility for us to promote the beef message!
